pateldevam5354@gmail.com

Ahemdabad,Gujarat

EDUCATION

B.Tech : AI & Data Science

JG University

Expected in 04/2028

CERTIFICATIONS

Python Programing - CDAC

DBMS - CDAC

SKILLS

- Programming: Python
- Data: SQL, NumPy, EDA
- Databases: DBMS

LANGUAGE

- English
- Gujarati
- Hindi

PROFILE

Detail-oriented data science student trained in Python and database management systems. Experienced in data cleaning, exploratory data analysis, and SQL through academic and hackathon projects.

PROJECTS (HACKATHON & ACADEMIC)

UIDAI Hackathon 2026 — Data Science Project

- Built a data-driven solution for UIDAI problem statements
- Cleaned and analyzed data using Python
- Designed databases and executed SQL queries
- Generated insights for decision support

E-Commerce API — Backend & Data Handling Project

- Developed RESTful APIs for an e-commerce system
- Designed database schema and SQL queries
- Implemented CRUD operations in Python
- Tested APIs and managed code with GitHub
